The Police Department Trying to Discover

## HOW FAST STREET CARS RUN

Two Detectives Employed by the Company to Assist in the Work.

## The Routine.

President Leitch was absent at yesterday's meeting of the board of police and fire commissioners. After the commissioners had held a secret conference in the corner to discuss the condition of the police department and the real cause of Sullivan's defeat, Commissioner Leitch called the meeting to order.

Fire Marshal Lemmon reported one or two small fires. Superintendent Eastman mentioned the new police beats that had been established and stated that about five more men would be needed to patrol them. He reported that Officer Smith's probationary time had expired September 6, and recommended that he be reappointed. In the meantime Mr. Smith had been suspended. Mr. Bender was inclined to censure the superintendent for not having reported Smith's unfitness at the previous meeting of the board, and hoped the superintendent would not assume such power again. Superintendent Eastman said he had consulted with Mr. Withey and both had thought the course pursued the best. There was considerable discussion as to whether the probationary officer had police authority for ninety days or during the pleasure of the board. Mr. Withey thought his warrant extended for the time, and Mr. Bender thought it might be chopped off at any time or be indefinitely extended without action on the part of the board.

It was finally decided that the men served during the pleasure of the board, but for a greater or less time than mentioned in his warrant. Mr. Bender manifested a mild desire to send it in to the superintendent of police, but Mr. Withey promptly assumed the blame, if there were any, for Mr. Eastman's action.

Superintendent Bettinghouse of the fire alarm system reported the progress made in stringing wires for the extension of the fire alarm system. Mayor Hobart telegraphed to Mr. Bettinghouse to come to Big Rapids and help them fix up their fire alarm system. He was granted one day to do what he could to give Big Rapids a metropolitan aspect.

Superintendent Eastman's report that Officer Smith was not confirmed as a patrolman was adopted. Superintendent Eastman's request for supplies for the police department was referred to the committee on property.

J. W. Haywood petitioned that James Niedland be appointed special police power to prevent boys from climbing the electric light towers. On motion of Commissioner Bender the request was denied by reason of a lack of authority on part of the board.

The report of the council committee that no hacks be permitted to stand on Pearl street, between Canal and the south entrance to Sweet's hotel, and on Canal street, between Pearl and Lyon streets, was referred to the superintendent of police with orders to enforce the resolution.

The board decided to inspect the new patrol beats suggested by Superintendent Eastman two weeks from today. A petition was received requesting the appointment of Charles Van Anden as building inspector.

**Speed of Street Cars.**  
The committee on rules and regulations made its report in reference to the resolution passed by the common council requesting the board to regulate the speed of street cars and see that they are not exceeding the rule allowed by the city ordinance. The committee reported that tests had been made showing that the rate is within the limit. But the report gave the speed including stops, and Mr. Bender declared that in his opinion it is worthless. He thought a stop watch ought to be used and the actual running time between stops should be taken.

Commissioner Bender offered a resolution that the superintendent of police be requested to detail patrolmen from time to time to test the speed of the street cars and to devise a scheme to do it accurately. The board thought the street railway company is interested in keeping the rate of speed within the limit as the board is, and Manager Chapman has informed the committee that two detectives are employed by the company to note special trips to see that the legal rate of speed is not exceeded.

The board then attempted to discuss the bids for the new ladder trucks, but the secretary could not find the President company's bid, and said Commissioner Hatch had it.

Mr. Hatch didn't think he did, and after getting hopelessly entangled the board postponed action for a week. It then went into executive session for the purpose of considering matters of discipline.

about to begin a suit against Mr. Johnson to recover damages placed at \$2,000 for personal injuries alleged to have been inflicted upon the complainant by the defendant on July 12 last. The affidavit upon which the capias was issued alleges that Mr. Johnson went into the premises of the complainant on the day above mentioned and began to abuse him without any provocation, whereupon Skary ordered Johnson to leave the premises. It is further alleged that he refused to leave the premises and struck the complainant several hard blows upon the head and body.

It further states that Johnson threw him on the floor with great force. Then, according to the affidavit, Mr. Johnson threw him out of the front door, Skary's left ankle striking on the stone steps in such a manner as to be severely injured. Since that time the complainant has been crippled, and he believes his injuries are permanent. Mr. Johnson is now at the Cascade cottage, and Sheriff McQueen did not serve the capias upon him last night. The amount of bail is fixed at \$500. It is said Skary rented a basement under the Eagle hotel from Mr. Johnson, and the trouble occurred on account of the failure of Skary to pay his rent.

**MOTHER HUBBARD GOWNS.**  
They Will Not be in Style on Waterloo Street Hereafter.

Sergeant Webb has ordered the fairies residing on Waterloo street not to parade the streets clothed in their Mother Hubbard gowns, and in gaudy and suggestive attire. The sergeant also forbade them walking on the streets for the purpose of soliciting. The trail creatures did not heed the order and the sergeant yesterday strolled down that thoroughfare on a tour of inspection. His eyes were soon arrested by the fairy forms of Myrtle June, an inmate of Frankie Kingsberg's dive, and Maile Hill, from Nadie Lee's resort, who were clad in Mother Hubbards of gay, seductive colors. He arrested the girls, and after permitting them to change their apparel for a more appropriate street costume, took them to police headquarters. They were locked up in jail last night, and this morning will be arraigned in police court on a charge of soliciting on the street for immoral purposes.

**SEYMOUR GETS FIVE YEARS**  
For Burglary and Larceny at Judge Adair's Hands.

Yesterday Judge Adair sentenced William Seymour to the Jackson state prison for a term of five years for burglary and larceny. Seymour pled his pleading vocation in the rural districts in the night time, and when he was arrested at his residence on Spring street large quantities of his plunder were found and identified by the owners. Since his conviction a few days ago Seymour has threatened to commit suicide at the jail, and requested the hall boy to purchase paria green for him. He has a young wife who appears to be indifferent as to the misfortune of her husband. When he was arrested he informed the officers that he had remonstrated with him for his actions, and asked him to get a living by honest means, but he would not take her advice.

**BRADNER ON TRIAL.**  
Put in Jeopardy for Having Tried to Poison a Man.

A jury was struck in Judge Adair's court last night for the trial of George A. Bradner, charged with attempting to poison George Murray by putting paria green in Murray's tea. The parties had occupied the same dwelling in Grand Rapids township, Bradner being in the employ of Murray. Some trouble arose between the two men and Murray wanted Bradner to move his family from the house. The night before Bradner left Murray was taken deathly sick shortly after having eaten his supper. His symptoms indicated poisoning and an analysis of the tea remaining in the tea pot detected paria green in large quantities. Bradner was accused of having put the poison in the tea pot and he was arrested. His examination was conducted before Justice DeWolf and he was held for trial. He has been confined in jail since his arrest several months ago.

**Arrested for Forgery.**  
Freeman Klopstein of Gaines was arrested yesterday by Sheriff DeWolf on a warrant issued by Justice DeWolf on complaint of John M. Hanna, who charges him with forgery. Hanna signed a note with Klopstein as security, and it is charged that Hanna's name was placed on the note when it was renewed without his knowledge. The note was given for \$250. Klopstein was arraigned in court yesterday and waived the reading of the complaint. The examination was set for Monday morning, and the prisoner was committed to jail in default of \$500 bail.

**Hack Drivers at War.**  
Charles June, a hack driver, swore out a warrant from police court yesterday for the arrest of John McCarthy, an employ of Ball & Waters, for violating the hack ordinance. The alleged violation consisted in soliciting passengers beyond the thirty foot limit at the Union depot. McCarthy is charged with having followed a person sixty feet from his hack and by the hack of the complainant.

**Police Court Notes.**  
Peter Anderson was before Judge Haggerty yesterday on a charge of disorderly, but when the case was called the complaining witness would not support his affidavit concerning the language attributed to Anderson, and the prisoner was discharged.

Michael Grady was set to jail yesterday for thirty days for drunk and disorderly and Edward, his brother, paid a fine of \$5 and costs for interfering with the officer when he was arresting Michael.

"Hop" Walker, the colored boot-black arrested some time ago for breaking into a car of bananas, was held to the superior court for trial yesterday by Judge Haggerty. "Hop" is in jail. The examination of John Ready on a charge of larceny was set for this morning. He is accused of stealing \$7 and a razor from Oscar Snyder, at Miller's livery barn.

The examination of Dr. William H. Gunn for assault was adjourned in police court yesterday until September 16.

Kerne Phillips paid \$2 and costs yesterday in police court for riding his bicycle on the sidewalk on Sheldon street.
